**District or Charter Name:** Marine Village School (MVS)

**WBWF Contact:** Dr. Kim Kokx

**Title:** Executive Director

**Phone:** (651) 477-0380

### Annual Report

**WBWF Requirement:** For each school year, the school board must publish a report in the local newspaper, by mail or by electronic means on the district website.

Provide the direct website link to the district’s WBWF annual report. If a link is not available, describe how the district disseminates the report to stakeholders: [info@marinevillageschool.org](mailto:info@marinevillageschool.org)

### Annual Public Meeting

**These annual public meetings were to be held in the fall of each school year.** *Dr. Kim Kokx, Executive Director, gave a public presentation about the school’s annual WBWF Plan at the school board meeting on December 16, 2023.*

**WBWF Requirement:** School boards are to hold an annual public meeting to communicate plans for the upcoming school year based on a review of goals, outcomes and strategies from the previous year. Stakeholders should be meaningfully involved, and this meeting is to occur separately from a regularly scheduled school board meeting.

Provide the date of the school board annual public meeting to review progress on the WBWF plan for the 2023-24 SY: [At the September 19, 2024 MVS school board meeting, Dr. Kokx gave a report on student academic progress based on the goals of the 2023-2024 WBWF plan. It is understood that this meeting is to be held](#)

separately from a regular school board member. However, during the time when such a meeting should have been held, there was extensive school board membership turnover which made it difficult to organize such a meeting. At the January 2025 school board meeting, there will be a request made to set future dates for this meeting in order to meet the requirement.

## Goals and Results

### All Students Ready for School

Does your district/charter enroll students in kindergarten? If no, you do not need to set a school readiness goal.

Goal	Result	Goal Status
<p>Provide the established SMART goal for the 2023–24 SY.</p> <p>100% of Marine Village School newly enrolled Kindergarten students will be Kindergarten-ready by January 27, 2023, as observed and assessment by teacher documentation and a local standardized assessment.</p>	<p>Provide the result for the 2023–24 SY that directly ties back to the established goal</p> <p>TBD</p>	<p><b>Check one of the following:</b></p> <p><input type="checkbox"/> On Track (multi-year goal)</p> <p><input type="checkbox"/> Not On Track (multi-year goal)</p> <p><input type="checkbox"/> Goal Met (one-year goal)</p> <p><input type="checkbox"/> Goal Not Met (one-year goal)</p>

## Close the Achievement Gap(s) Between Student Groups

Goal	Result	Goal Status
<p>Provide the established SMART goal for the 2023–24 SY.</p> <p>Marine Village School will identify any documented student achievement gaps during the 2022-2023 school year and develop goals for the 2023-2024 school year.</p>	<p>Provide the result for the 2023–24 SY that directly ties back to the established goal.</p> <p>Results from the 2023 MCA administration did not provide clear evidence of achievement gaps for any of the student groups for Marine Village School. The student body is approximately 100 students over a six-year grade span (grades K-5). As a byproduct of the class size average, there is not a significant number of students in any student group except for the “white” student group. It is anticipated, however, that the school’s enrollment of students requiring special education services may increase in the future and will represent a student group that will require the attention of school leadership to ensure academic success for these students.</p>	<p><b>Check one of the following:</b></p> <p><input type="checkbox"/> On Track (multi-year goal)</p> <p><input type="checkbox"/> Not On Track (multi-year goal)</p> <p><input checked="" type="checkbox"/> Goal Met (one-year goal)</p> <p><input type="checkbox"/> Goal Not Met (one-year goal)</p>
